

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Award Contract for Lodi Lake Fishing Dock, 1101 West Turner Road (\$76,060)

MEETING DATE: December 15, 1999

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for the above project to GTS Construction, of Galt, in the amount of \$76,061.37 (base bid plus option bid items A through E) and appropriate funds in accordance with the recommendation shown below.

BACKGROUND INFORMATION: This project is part of the approved master plan for the south side of Lodi Lake. This facility will provide the physically impaired access to fishing as well as access to the interpretive tour boats. This project was approved by the Parks and Recreation Commission at its November 4, 1997 meeting. Staff was concerned that the bids would exceed the funding for this project so a 304-square-foot portion of the fishing dock was bid as option bid items. As the low bid (with the option bid items included) is within the budget for this project, staff is recommending that the contract be awarded for the base bid plus the additional 304 square feet of decking.

Plans and specifications for this project were approved on November 19, 1997. The City received the following five bids for this project:

Bidder	Location	Base Bid + Option Bid Items
Engineer's Estimate		\$ 92,420.50
